Dear Fellow Numismatists:

Congratulations and welcome to membership in the American Numismatic Association.

We are enclosing the National Coin Week information, and hope that you will consider undertaking a few Coin Week activities and submit an Activity Report so that your club may be counted in the record right from the beginning of its membership. The NCW supplies are nearly exhausted and must be given out on a first-come, first-serve basis, but all you really need is enclosed. Please don't forget to submit the Activity Report if you have any Coin Week activities at all so that your working members may receive Certificates of Award. Also, up to 5 awards are given to each of the categories for individuals and clubs outside the U.S. that are members of the ANA. Activities may only count in one entry.

Best wishes for success in all your numismatic endeavors. If you have questions or suggestions, please don't hesitate to let us know.

Sincerely yours,

Rick & Virginia Bronson
